

Welcome to our site!

The APE welcomes you to its web page where you can find news of Ecole Nouvelle throughout the year.

We will keep you informed of different events (picnics, sports days, Great Game ..) as and when dates are finalized.

Come and take a look under **Announcements** for special offers - if you have something to sell or perhaps a special request, just send it to us.

What are the goals of the APE?

- strengthen the reception of new parents
- facilitate exchange and communication between parents and school
- listen to the needs of parents and students
- propose and advocate practical solutions that meet the spirit of Ecole Nouvelle
- support Ecole Nouvelle's motto of "always wanting to strive to do the best" in various fields, such as sports or cultural areas
- support various projects of the school using funds from the APE

We have put in place a structure with a **parent representative** for each class to help you.

The APE is composed of a group of parent volunteers.

To finance the various activities of the APE, we would invite you to **support the association** by **registering**. (See link below)

If you have questions or suggestions or if you want to give us a hand in our activities, please contact us. We have a mailbox at the entrance to the reception of the school or may be reached by **email**.

Comité 2011/2012 de l'APE

Sabine Kaeppli, Présidente de l'APE
